## **Are you interested in playing cricket, football or any other sport?**

Regrettably, the long established Dunkerton Cricket Club has pulled stumps for the final time as the club members have reluctantly decided that it's time to call it a day and close the club. The Parish Council will work with the remaining club members in seeking to find an alternative solution to closure. The land is registered in the name of the parish council on behalf of the parishioners of the parish and the council would welcome suggestions and ideas from local residents for future use of this community asset - perhaps as a new joint venture with the existing club members. Hopefully all it needs is a little imagination and some new blood and once again cricket will be played on this local pitch.

Are there any budding cricketers in the parish who would like to have a go at re-opening the cricket club, or perhaps footballers who might like to have a crack at starting a new club? The facilities are there and waiting to be used, possibly for an entirely different activity. All suggestions no matter what sport it is will be welcome.

Please contact Cllr Robert Gardiner with your ideas, Robert will be pleased to answer any questions you may have. His contact details are 01761 470286 northhillfarm5@gmail.com

**THE MANDERS ORCHARD GROUP**

Looking forward to the summer – it's coming!

To encourage a good fruit crop, we need to start taming the apple and pear trees so a gentle pruning day is being arranged for Saturday 13<sup>th</sup> February.

We will have two sessions starting at 10.30 am and 2.30 pm. That leaves Sunday clear if there is more to do and/or the weather is bad.

It would be great to have some helpers! No expertise is necessary - advice and tuition will be available. Just bring some basic pruning tools and stepladders if you have them. If you don't have any there will probably be enough to share. Hope to see you there

### A note from Ann Meloy, Reader

A lot of people think that Christmas comes to an end on 6<sup>th</sup> January (Epiphany or, if you prefer, 12<sup>th</sup> night) but not in the church! The Christmas season ends with the Presentation of Christ in the Temple (Candlemas) on 2<sup>nd</sup> February when the Nativity figures will need to be put away for another year. The only thing that needs to be disposed of on 6<sup>th</sup> January is all the greenery, by which time the real trees are losing their needles anyway and any other natural decorations are starting to look a little jaded. Between now and Trinity Sunday always seems the busiest time of the year. We've already had Epiphany and the Baptism of Christ and on the 10<sup>th</sup> February the season of Lent begins, a time of self-examination and to remember Christ's suffering at the hands of his accusers, which culminates with Good Friday and the cruel ordeal of crucifixion. Then we have the biggest celebration in the Christian calendar, when we remember the joy of that first Easter Day when Jesus Christ rose from the dead.

There is no doubt that it was an amazing life. In the 17<sup>th</sup> century an anonymous author wrote:

"Here is a man who was born in an obscure village, the child of a peasant woman. He worked in a carpenter's shop until he was thirty, and then for three years he was an itinerant preacher. He had no credentials but himself. While still a young man, the tide of popular opinion turned against him. His friends - the twelve men who had learned so much from him, and had promised him their enduring loyalty - ran away, and left him. He went through a mockery of a trial; he was nailed upon a cross between two thieves; when he was dead, he was taken down and laid in a borrowed grave through the pity of a friend.

Yet I am well within the mark when I say that all the armies that ever marched, and all the parliaments that ever sat, and all the kings that ever reigned, put together, have not affected the life of man upon this earth as has this one solitary life."

But would we recognise Jesus if we met him in the street today? How many beggars or "Big Issue" sellers have we ignored? How many people sleeping rough have we

walked past without even noticing them? Jesus was homeless (Luke 57.58). How many times have we ignored Jesus when we have ignored these people?

## **WI Report** from Judy Chidlaw

I hope it is not too late to wish you a happy new year!

The first meeting of 2016 was very well-attended despite a cold windy night. In the absence of treasurer, JanFrances, kindly collected subscriptions outstanding along with money for the Avon News. Sue Snook and Judy will attend the Group meeting in Timsbury on Monday 18th January.

Our guest for the evening was Sue Mathison and Ruffles, a retriever-labrador cross. Her talk, Hearing Dogs for the Deaf. She described what life as a deaf person was like before and after she took Ruffles into her home. The isolation, lack of confidence and the misunderstanding of the general public to the deaf person was very problematic. But once the decision was made, the vetting, the training, the waiting for the right dog, was achieved there was no looking back. Today Ruffles is Sue's ears, able to communicate with her when the door bell, alarm clock rings or her husband calling from the garden. Many things taken for granted by those who can hear. Sue says the best thing is people instantly recognise she is deaf by the presence of Ruffles. Sue gave an inspiring often humorous talk. When Marilyn wrote the vote of thanks on a board for Sue to read out, her sentiments of adopting Ruffles if or when he retires was echoed by many members Visit **[www. Hearing Dogs For the Deaf](http://www.HearingDogsFortheDeaf)** for more information.

The next meeting is on the 9th February. Guest is Tony Griffith "Art of the Magician"

## Report of Dunkerton Parish Council's Meeting held at Dunkerton Parish Hall 26 November 2015 and other Parish Council News

### Parish Council News

#### Change of Parish Councillors

Cllr Taylor ceased to be a parish councillor and vice chair of the council with effect from 26.11.15. Cllr Orme was unanimously elected as the new vice chair.

#### Complaints about the Council

B&NES Standards Committee met on 10 December 2015 to respond to four complaints about Dunkerton Parish councillors. Please find below their decision extracted from the draft minutes of their meeting.

"The Standards Committee (the body responsible for dealing with complaints about councillors) carefully considered the complaints listed 1-12 in the report, the Investigating Officer's report, the evidence presented and the statements made at the meeting. It concluded that there was one breach of the Code of Conduct (complaint 3). The Committee concluded that there were no breaches of the Code of Conduct in respect of all the other complaints.

As the Councillor in question was no longer a Councillor, the Committee had no power to issue any sanction."

#### Change of Name

Bath and North East Somerset Council has approved the change of name of the parish council to Dunkerton and Tunley parish council. We will start using the new name once B&NES has completed the legal administration related to the name change such as informing the relevant central government departments.

#### Dunkerton Cricket Club

Cllr Gardiner reported that Dunkerton cricket club had decided to close. Councillors agreed that every effort must first be made to retain the facilities as a community asset. The parish council will discuss the situation with the remaining club members to see if

there is any possible alternative solution to closure whilst also asking if any local residents are interested in running the club – please see separate article. If this proves unsuccessful the parish council will advertise for an outside club who may be interested in leasing the ground.

### **Review of Dunkerton Street Lighting**

Residents of Brooklands have requested an upgrade to the street light on Church Lane in front of their homes. Following a discussion about the cost of a new light being over £800 plus the fact that the LED lights are dimmer than the existing light it was agreed that the parish council would pursue the possibility of changing the colour with SSE contracting.

*Post meeting note – unfortunately this is not possible without replacing the whole lighting unit.*

### **Finance**

The balance of funds as at 26 November is £11,862.42.

## **PLANNING**

### **B&NES Planning Decisions**

#### **15/04453/FUL The Hermitage, Dunkerton, Bath.**

Erection of new double garage and porch with associated courtyard alterations for improved parking - PERMITTED

### **Paperless Planning**

Following the lead by Dunkerton Parish Council eight other parish councils are now paperless with two more in progress. BANES are now insisting that all parish councils become paperless for planning from April 1 next year.

#### **Planning Application Ref 15/04718/FUL Church House, Church Road, Dunkerton, Bath.**

Erection of single storey outbuilding following demolition of existing outbuilding. Erection of external colonnade linking existing house and outbuilding and single storey boot room extension to existing house. External works to include Installation of external swimming pool, replacement and blocking up of windows and new door opening. The parish council unanimously objected to this application as it does not comply with policies CP8, GB.2, NE.1 D2, D4 and BH.2 of the core strategy. The parish council was particularly concerned that the excessive amount of glass used in the proposed outbuilding would detract from the setting of the grade 2 listed building itself and the church.

## **West of England Joint Spatial Plan Issues and Options and Joint Transport Study Consultation**

It was agreed to submit a response to this consultation stating that the additional housing that needs to be built would be more sustainable if located in South Gloucestershire or near Weston Super Mare as both areas already have developed infrastructure. Additional housing within the BANES area is not sustainable due to the lack of transport infrastructure.

### **Update Highway Related Matters:**

#### **The Hollow**

All the drains in The Hollow have now been cleared as part of the annual drain clearance schedule for our parish.

#### **B3115**

Some of the “Slow” markings still not back in place. Cllr Patch to chase this up with B&NES Highways. Hedges between the top of the Hollow and John Bull House and down the full length of The Hollow have been cut, we are grateful to John Wareham for having this work carried out.

### **Update on Rights of Way Matters**

The promised steps have been cut into the bank inside the kissing gate opposite Withydithe Chapel. This is a great improvement and will make access to the footpath a lot safer. The footpath foray hasn't happened yet due to the inclement weather and the fact that the relevant councillors haven't all been available at the same time. However it hasn't been forgotten. If anyone knows of any missing signs, or knows of any place where a sign would be beneficial please would you let Cllr Prescott know?

Next meeting 3 March Dunkerton Parish Hall 7.30 pm
