### **TIMSBURY POPPY APPEAL** **AWARDS PRESENTATION** **EVENING FOR VOLUNTEERS & BUSINESSES**

Timsbury Royal British Legion was the venue for a presentation of Medals, Bars, Badges of Merit, Brooches and Certificates for all their Volunteers and Businesses who have collected and raised thousands of pounds for the Poppy Appeal over many years. Volunteers Val Swain and Gay Fear have been collecting for 50 years, Hillary Sellers 45 and Jenny Keeling 30 all from Camerton and Tunley absolutley amazing. Between all the the volunteers they have notched up nearly 400 hundred years service going out on dark, cold and wet October/November evenings collecting door to door every year, absolutley amazing. The presentation was made by the Somerset Royal British Legion Chairman Robert Mc Donald. Chris

Fiddes the Poppy Appeal Organiser/Standard Bearer for Timsbury, Camerton and Tunley thanked all the individual volunteers and representatives from the Parish Council, Timsbury School, Surgery, Cheshire Home, Co-op, McColls and Our Plaice Chip Shop who attended for making it a memorable evening. Timsbury Royal British Legion thoroughly appreciate all the hardwork and dedication given by the individual volunteers and businesses in the village for their support every year. Without you we would not be able to raise the amazing amount of money we do every year which was **£3,866.43** in our area and a **Somerset total of £889,848.65**, helping to make a Nationwide total of over **£44 million for 2016**.

**THIS YEARS COLLECTING PERIOD IS FROM SATURDAY 28TH OCTOBER - SATURDAY 11TH NOVEMBER**

**Camerton will be holding their annual Remembrance Service starting in the Church at 1050hrs and then at the Memorial next to Church on Sunday the 12th November 2017**

## **BROADBAND IS COMING TO DUNKERTON!!!!!!!!!!!!!!!!!!!!!!**

Last month a local business called **Truespeed**, which supplies broadband to Priston, said that they would be prepared to install broadband connections to households in Dunkerton if we managed, along with Nailwell and Inglesbatch, to get 32 households to sign up for their service. Truespeed have just confirmed that we have exceeded the 32 target and as result, subject to confirmation at a meeting to be held by their Board of Directors later this month, Truespeed will send out their engineers to the households who have signed up in order to assess the logistics of installation for each household with a view to carrying out the installation sometime over the next few months. The exact timing is uncertain, but I will try and keep everyone informed of progress.

For those of you who did not manage to attend the meetings with **Truespeed**, set out below are a few notes from the meeting:

- Truespeed require 32 out of 106 properties in the 3 villages (30%) to sign their form for them to commit to start work
- The installation takes the form of fibre optic cables run to each individual property carried through existing service routes using overhead cables and underground telecom ducts ie no digging up roads and vastly better speeds than BT who just put a box in the village and then use household copper wires for the final link
- Truespeed currently have 500 subscribers in 6 villages and are rolling out to another 2 villages – they have had excellent feedback on their service
- Truespeed are funded by and backed by Aviva i.e. they are well funded and a serious business
- The servers are based in Newton St Loe and a new service office is opening in Keynsham ie they are a local business not a remote conglomerate
- Recent surveys found that households with ultrafast broadband were worth up to 10% more than the equivalent without ultrafast broadband

The terms are on Truespeed's website, but points to note are:

- The installation cost is around £120 per household ie no massive fundraising required
- Free installation to Dunkerton Parish Hall
- The monthly cost is £47.50 per month for 18 months inclusive of VAT and line rental
- They provide phone services so householders can stop all BT payments
- There are options for more than 1 line for those who wish to work from home
- The speed is 100mb/s via optic fibre cables direct to the household so no shared lines and extremely quick
- There is unlimited data usage
- At the end of the 18 month contract a household can revert to another provider

There were a host of questions raised at the meeting covering far more than the main points I have outlined here all of which were answered by the Truespeed presenter.

For those of you interested in signing up please contact **Truespeed** directly. Their details are on their website. If you have already signed up and

would like to join an email group run by Simon Gibbs to keep you informed of dealings with Truespeed then please send an email to Simon Gibbs at [simongibbs13@btinternet.com](mailto:simongibbs13@btinternet.com) and he will create a "Dunkerton Broadband Group" email chain.

### **CHANGING TIMES**

As many of you will know, Rev. Gordon Ripley retires on 31st October, and he and Sylvia will move to their new home in Gloucester. Dunkerton and Camerton will be without their own Priest for a few months while a new one is appointed, a period known as an interregnum, and we are very grateful to the team of visiting Priests and talented Parishioners who will lead our services in the meantime.

This is an important time for the parish, in which we hope to shape our future, and your input is vital to that task. Whether or not you are a regular churchgoer, please give us your support and help to keep the church going during this period in

whatever way you can. We will be making our case very strongly for a new priest who can provide the right combination of skills and personal attributes to serve our community, remembering that this includes young children (fast growing up!), retired adults and all ages in between.

Delivered with this edition of The Batch is our annual Gift Day Appeal. Our regular income is sadly lacking at the moment and will not look good to prospective candidates. Anything you can contribute, whether a one-off donation, however small, or a monthly contribution, will be very much appreciated, and the ability to demonstrate support from across the parish will help to attract the right person.

Finances aside, the church is very much alive and well. If you haven't been to church for a while, now is a good time to come and see what is going on - it may be different from the last time you came!

## WI Report

**Dunkerton WI** met at Tunley Recreation Centre on Tuesday, 10th October for our annual Harvest Festival meeting. Unfortunately Judy (Secretary), Jan, (Treasurer) and 10 members missed the

festivities but everyone present had a thoroughly enjoyable evening.

Our President Sue opened the meeting by welcoming a prospective new member, Kate and a newly signed up member, Pauline. It's so heartening to see our group growing year on year. There was no Treasurer's report as Jan is preparing the year's accounts in readiness for the AGM in November.

Nora spoke on behalf of the six members who attended the group meeting at Farrington Gurney, hosted by High Littleton and Hallatrow. We had a very enjoyable and entertaining evening with a delicious meal and a very informative talk by Ed Drewitt on Whales and Dolphins. Judy attended the Federation AGM in Filton where she delivered a cheque for £35 for the Coins of Friendship collection.

We took a brief look at forthcoming events including an invitation to Radstock's WI Christmas Carol Service at 7.30 on Tuesday, December 8th at Trinity Methodist Church. We also discussed the forthcoming AGM and possible changes in the new year.

Frances has asked for anyone wishing to join us on the trip to Denman in March to bring the first payment of £30 to the November meeting. The cost of the coach will be confirmed when we have final numbers.

Viv thanked everyone who attended her Macmillan Coffee Morning and made it such a roaring success.

We're entering a team into the Federation quiz on Friday 13th October. Following two unavoidable dropouts, Doris and Judy volunteered to make up the numbers with Di and Liz. We look forward to hearing about their success at the next meeting. Before we settled down to our delicious Harvest Supper, provided by the Committee, we said a very fond farewell to Sylvia. She will be leaving at the end of the month to move to pastures new with her husband Gordon, we wish them every happiness in their new home.

## **DUNKERTON QUIZ – Sept 2017**

The 10th Dunkerton Quiz saw a record 56 quizzers in 10 teams scratching their heads on Saturday 30th September in the face of Michael de Grey's questions. Subject matter included History, Sport, Britain in Pictures, Arts and General Knowledge, Spelling (a gambling round in which teams lost all their points if they got one wrong, resulting in all teams being defeated by the word 'minuscule' and 0 points being awarded!) and a map of the Middle East, in which Ben Harris led his team to victory by placing all 40 countries and seas in the correct places. Supper of chilli con carne, baked potatoes and salad followed by a wonderful array of puddings kindly provided by the quizzers, accompanied by wine, beer or soft drinks, and a well supported draw, made for a very enjoyable evening all round. The resulting, record profit was £1,006, to be shared between Parish Hall and church funds.

## IMPORTANT NOTICE TO DOG WALKERS USING TRC RECREATION FIELD TO EXERCISE THEIR DOGS.

The Management Committee are sure you will all aware by now the way we dispose of household rubbish is changing dramatically due to a BANES initiative which will be implemented on Monday 6<sup>th</sup> November 2017. This has meant that Tunley Recreation Centre will be categorised as a commercial waste producer and will therefore need to pay for all future mixed and recycled waste collections.

Having contacted several commercial waste collectors, including BANES, it has been confirmed that we are unable to dispose of dog faeces on a commercial bases. To this end a decision has been made by the management committee that all of the dog waste bins currently located within the TRC grounds will be removed forthwith, the bins will be replaced with signs as below so - **From this point, all dog owners**

**will need to pick up and take dog faeces home for disposal please.**

In addition the rubbish bins located within the children's play area will also be removed.

**Users of the centre will be expected to act responsibly and take their rubbish home for disposal.**

## **Crime Prevention Advice**

### **Fraudulent car insurance - Peasedown St John**

It has come to recent Police attention that a family in Peasedown St John received some car insurance policy documents for a vehicle they don't own and also for a person that does not live at their address. On receiving these documents they contacted the Police and handed over the documents and also reported the incident to Privilege Car Insurance who had sent the documents to their address. The Police completed some initial enquiries and established the intended insured vehicle was actually registered to an address in Birmingham, further enquiries were conducted with Privilege Car Insurance who stated "this has been a problem for sometime, people are giving low risk postcode areas as their home address even though they don't live there. These people are doing this to insure their vehicles' for a substantially lower price in order to defraud the insurance company and in the long run this could cost honest people more money for their premiums".

PC 3685 Matt Bendall the local Beat manager for Peasedown St John and Paulton area, urged that residents who have experienced a similar incident to keep any paperwork that they may have received through the post and to make contact with the providing insurance company and Police immediately.

### **Non-dwelling Burglary**

### **Vehicle Crime**

### **Bristol Lions Cricket Club**

After the sad demise of Dunkerton Cricket Club I made personal efforts to contact potential cricketers in the Cam Valley who would be interested in playing at Dunkerton. There were a number of positive responses, including from young players, but insufficient to resurrect a viable club.

It is excellent that Bristol Lions will now be based here. The enthusiastic way they are tackling improvements and repairs to the ground is evidence of their commitment to be ready for next season.

In time they hope to be able to run a second team and have told me that to do so they want to encourage and help coach young players. Until they become established I am happy to collect the names of anyone, adult or junior, who would be interested in playing or simply attending net practice next season - [max.crofts@eu.jll.com](mailto:max.crofts@eu.jll.com) or 07831 370353.
