Coffee Morning for Everyone

To discuss future breakfast clubs in Tunley and Dunkerton.

Sunday 16th September 2018 between 10am – 11.30am at TRC

A few of us in the Parish, of 500 people (!) have realised that it would be great to evolve a more sociable and supportive community between the villages of Tunley, Dunkerton and Withyditich.

Our aim is to encourage people to get to know each other, encompassing everyone in the parish (Dunkerton, Tunley and Withyditich) especially those of us who live alone.

Social

We are aware that Priston have a weekly breakfast club and we believe this would be a great way for everyone to meet within a relaxed social environment. With this in mind we are arranging an initial coffee morning at Tunley Recreation Centre to get thoughts and ideas as to how to proceed. **This will be held on Sunday 16th September 2018 between 10am – 11.30am, please** do come along as the more involvement from the community at this stage, the greater the success (cakes most welcome).

Don't be shy about coming, please introduce yourselves to one of us and we will make sure you are well looked after. The whole purpose of the event is to help everyone to get to know one another.

If you would like to hear about the above event or have any questions, please do give one us a call.

Public Transport

A number of residents have complained about the buses travelling to Bath not stopping to collect passengers at the Old Swan bus stop, Dunkerton. The Parish Council has written to First Bus regarding this but has yet to receive any reply.

42 Service Park and Ride to RUH – for the latest news see the separate article.

Tunley Village Clean Up Day

A local Tunley resident asked if others would join her in organizing regular village clean up days. This proposal was well supported by all present and a group of parishioners will organize a date and call for additional volunteers to join them. This would need to be undertaken by the community as it is unlikely to be funded by BANES Council.

Drone Flying Over Dunkerton Village.

A parishioner had been disturbed by a drone flying over their garden. Therefore they contacted the police resulting in the Police Community Support Officer providing them with some guidance on the current rules. The parishioner was happy with this police response and the parish council has attached the guidance to the July meeting minutes and posted it on Facebook and the website.

Community Support and Events.

It is planned that the first breakfast club will start in Tunley on the 3rd Sunday in September. More information will be made available in a letter to be sent out to all households in advance.

Update on Truespeed Installation Across the Parish.

Truespeed initially started installing poles in Withydithe but, following complaints from local residents to Truespeed and the parish council, the residents with the support of Cllrs Gardiner and Robinson gained the agreement of the company to remove the poles and take forward a proposal for an underground solution. A few weeks ago in Tunley Truespeed undertook a lot of work that involved digging up the pavements despite having originally advised that all work would be overhead. Following a site meeting with Truespeed there will now no longer be any more underground work in Tunley. In Dunkerton it is proposed that the work will mostly be underground by making use of existing ducting with some work overhead using existing poles.

Subsequently a public meeting has been held in Tunley on 11th July at which Truespeed managers gave what was believed by attendees to be a very optimistic

forecast that their service will go live in the parish within two months – mid September. There was a feeling that, for commercial reasons, Truespeed seemed less interested in delivering against their advertised schedule seeing tasks through to a successful conclusion in specific areas, and more interested in racing to ensure some implementation activities were going on all over Somerset.

Planning Applications

18/02238/FUL North Hill Farm Tunley Road Change of use from cattle yards to industrial storage (use class B8)

The Parish Council unanimously supported this application subject to it being residential storage use only.

18/02535/FUL 10 Brooklands Dunkerton Erection of first floor side extension over existing single storey extension with loft room and rear dormer

As this is only a small change to the previous application that the parish council supported the parish council unanimously supported this application. This application has now been approved by B&NES Council.

Planning Application REF 18/03132/FUL Wisteria House, Bath Road Tunley: Erection of a first storey extension over garage to provide master bedroom with en-suite and dressing room.

The Parish Council unanimously supported this application as it complies with the core strategy and placemaking plan.

REF 18/02782/FUL Tynning House Bath Road Tunley Erection of a double garage to the rear of the property and demolition of existing side double garage

Subject to conditions being attached the parish council unanimously supported this application as it complies with the Core Strategy and placemaking plan.

Reports of BANES Planning Decisions

Planning Application REF 16/06226/LBA Crossways House Crossways Lane Dunkerton: Internal and external alterations for the erection of front boundary wall, gates and railings; internal washroom alterations, removal of former car parking at front and rear and to return garden. Erection of new skittles building following demolition of existing. PENDING DECISION.

Ref 18/01328/LBA Church House, Church Road, Dunkerton Internal and external alterations for the replacement of an existing outbuilding to incorporate a family room, and office and bathroom. Erection of an external colonnade link between the existing house and replacement building, incorporating a rebuilt stone garden wall, and the formation of a door opening on the house north elevation. APPROVED

Planning Application 17/02588/EFUL - Parcel 4234 Combe Hay Lane, Combe Hay, Bath/Sulis Down erection of 171 residential units, open space, green infrastructure, landscaping and associated works including provision of vehicular access from Combe Hay Lane APPROVED

18/01675/FUL Parcel 2400, Fosseyway, Englishcombe Installation of a hard standing field access track – APPROVED

18/01786/AGRN Lower Tunley Farm, Stoneage Lane, Tunley – NO NEED FOR FULL PLANNING APPLICATION TO BE SUBMITTED.

The Wheelwrights, Bath Road, Tunley Footpath Extension

Proposal to extend the newly installed footpath in front of The Wheelwrights, in a westerly direction behind the traffic calming buildout and in front of Meadow Dene, to link up with the rest of the existing footpath on the south side of Bath Road.

This proposal is being taken forward by B&NES highways department as a scheme for possible inclusion in their 2019/20 capital program. In case this fails to gain approval for inclusion in the 19/20 capital program, the parish council is adopting a belt and braces approach and is seeking potential alternative funding by way of the Community Infrastructure Levy (CIL) that was paid to B&NES Council, by the developer of The Wheelwrights. To this end the clerk and Cllr Robinson recently met with B&NES Cabinet Member for Communities, Cllr Paul Myers, and B&NES communities' manager, Dave Dixon who both supported the parish council bid and will enter into negotiations on our behalf with the relevant B&NES departments.

Tunley-Overdale Footpath

The outstanding work has now been completed.

Update on the A367 Review Implementation of Safety Improvement Measures

The sight lines are now much improved following the vegetation being trimmed back at the bottom of Dunkerton Hill. The proposed improvements to the existing road signage and review of the speed limits, in

particular the limits on the section between the Odd Down Park & Ride and Tunley Fork is still awaited.

Improving Security at the Cricket Ground

Following a couple of thefts of equipment, gates providing vehicle access to the ground are now locked.

Parish Rights of Way and the Deregulation Act 2015.

While news was awaited on the likely implementation date of this legislation, it was agreed that the parish council would start work to ensure all rights of way were shown on the Definitive Map of public rights of way. Parishioner's assistance and local knowledge with this work would be appreciated. If you are aware of any existing public rights of way, or historic footpaths, that are not shown at present on the definitive map, would you please contact Cllr. Di Prescott with the details. The definitive map can be viewed on the parish website or by contacting Cllr Prescott. We appreciate that it will take a little time for those who are interested to research the information, the parish council will therefore keep this invitation to residents to get involved open until the end of the year.

Financial Report

The balance of funds is £15,420.21 and without the Community Infrastructure Levy (CIL) reserves £11,126.12

The next meeting of the Parish Council will be Thursday 20 September Dunkerton Parish Hall 7.30 pm

Bus Service 42

from Odd Down P&R to RUH – Use it or Lose It

There have been rumours flying around that this service will cease operating this month. However this is not the case in the short term but in the longer term its future could be in doubt. This Bus service 42 from Odd Down P&R to RUH has been operating as a commercial service (i.e. not subsidised or commissioned by B&NES Council) since Sept 2016. The RUH provides financial support in return for discounted travel for staff.

The operator, Wessex Bus, is now withdrawing from the local bus market and has cancelled the service from 31 August. First Bus has registered a replacement service which they are committed to run for at least 6 months and will consider its viability during that time. Therefore the parish council would

urge parishioners to use this service over the next six months to ensure that it is viewed by First Bus as financially viable. This should then secure the future of this service on a longer term basis.

Note First Bus already operates their bus service 4 from the P&R site to RUH on Saturdays and Sundays – when the 42 service does not run.

WI Report

Dunkerton W.I. held their Garden meeting on the 10th July at the charming home and garden of Viv Macey. Chairs and a table were thoughtfully arranged so we could conduct a very brief business meeting.

The meeting opened on a sad note. Member Pat Gudge passed peacefully away after a brave fight with breast cancer. A popular and keen member, she will be missed.

The trip to Greys Court will be well underway by the time this report is printed, and all 30 participants will hopefully have a jolly time.

Camerton Court summer walk is arranged for 26th July and a visit to Yeo Valley gardens is on 31st August. The meeting officially closed. Molly wished us all to mark the Centenary fly-past of the RAF, which was televised and which was watched by Mollie and husband Basil with cherished memories of his time served in the RAF. Members wandered from a Bring and Buy sale to refreshments served in the house. There were hot-dogs, with sausages expertly cooked by Viv's husband Steve, followed by homemade cakes, strawberries and cream-filled meringues. The weather was kind, the atmosphere friendly, a lovely evening. Many thanks to Viv and Steve for their hospitality.

May I quickly add a huge thank you to those who contributed to making Dunkerton W.I. stall at Camerton Fete such a success, and in particular to Viv and Frances.

Next meeting is on 11th September at Tunley Recreation Centre.

TUNLEY VILLAGE RECREATION CENTRE

Tunley News

As you will have read in the last edition of The Batch the Tunley Recreation Centre (TRC) has changed to not only having a committee but also Friends of the TRC. We hope that by creating the Friends more villagers will feel able to get actively involved in village life but without the commitment of having to attend every committee meeting or supporting every event. So, if you would like to organise a Christmas party for the children in the village or a bingo evening or a Sunday afternoon tea dance then please share it with the committee and together we can work to make it happen.

September is a busy month in Tunley, with lots of opportunity to support events or get involved in them.

Tuesday 4th sees Stage 3 of the OVO Cycle Race of Great Britain come through Tunley. The village will be closed for the race, so come out and celebrate Tunley being put on the cycle racing map. The cyclists will be going through between 1.30 and 1.45. Tom and Jess at the King William will be offering light refreshments from 1pm til 2pm.

Sunday 16th sees the first "Breakfast Club" in Tunley from 10:00 AM till midday. Look out for the flyers with more detail that will be coming through your letter box any day soon.

Sunday 16th also sees the "Woof Its" Dog Club Novelty Dog Show. Entries open at 1 o'clock. Judging starts at 2pm Rosettes to 6th place. Fun for all the dogs and their owners. Proceeds going to the TRC.

Over the last few months there has been discussion about installing a defibrillator in Tunley. This is now coming to fruition. The Parish Council and the TRC Committee will share the cost of the machine, the cabinet to house it in and the electrical installation between them. Following the committee meeting on 14th of August it was decided that the TRC would provide the temporary installation site for the defibrillator. However it does really need to be more visibly accessible to everyone. If you might be able to offer a prominent location on your property in the village, with an electrical supply to permanently house the defibrillator, please contact Cllr Di Prescott who can give you more details. Cllr Prescott's contact details are telephone: 01761 472 or email diana@sarabeth.co.uk

There are some changes in roles and contact details for the TRC committee and putting Tunley News into The Batch

And finally,
Thank you to Paul Wadsworth for his many years of dedication as treasurer and bookings secretary.

Thank you to Dawn Oldland for her many years of dedication as TRC secretary.

And lastly our thanks and best wishes go to Gordon Wadsworth who for many years kept everyone up to speed with Tunley news in the Batch. Thank you to you all.

On another hot afternoon on Saturday 4th August Westhill Sports were the opposition for Tunley Athletic in the fourteenth annual Freda Hookings MBE Memorial Trophy game. Freda was President of Tunley for over 40 years and first lady Vice President of the Somerset FA and received her MBE in the Millennium New Year's honours list for her services to the club.

The trophy was donated by Freda's family to be played between Tunley and a local football club in a pre-season match. The result was a 6-0 win in Tunley's favour. The Barry Gould trophy for Tunley's Man of the Match was awarded to Martin Lewis.

Both Clubs would like to thank Keith (Flash) Lewis once again for refereeing the game. Players, friends and family gathered after in Tunley's Recreation Centre for refreshments.

Training is on Tuesday and Thursdays at the ground please contact Duncan Fear for more details. If you are interested in joining Tunley Athletic in any capacity please contact anyone of the above for more information. Please come and support your local village club.

Camerton & Peasedown Croquet Club Rejects Aunt Emma

Today croquet is played on stubble bedded in concrete. Clearances turn into jump shots as the ball hits the rough, pirouettes around what tufts of grass remain, or skates away like a curling stone. Knowledge of the conditions is paramount. Unfortunately, most of CPCC's home matches were played earlier in the season when grass was greener.

The only recent away match to buck expectation was against Kington Langley, in the GC Central North League; it was the first match to be played on their two new lawns. Equal at lunch the home team came out revitalised racing to an 8:4 lead. After the fifth round, the score narrowed to 9:7. CPCC had to win the last four games. They would have if the jump shot on the thirteenth and final hoop had succeeded. The match ended in a draw.

The SWF GC high handicap league home match against Dowlish Wake was played in the baking sun; even the electronic timers gave up. One ahead at lunch, the home team, after recovering in the shade, ran on to win 11½:8 ½. The most successful player was

David Christie who won three singles and drew his doubles game.

The GC Level Play team, playing away at Bristol, was overwhelmed by the home squad and their lawns, winning only one game and drawing another. The Central South team fared only slightly better under a relentless sun that baked Dowlish Wake's sloping lawns.

Armed with more enthusiasm than expertise CPCC's newcomers to association croquet, their new 'B' League team, bravely took on long-established opponents. The team ventured to play positively, rejecting a style of defensive play, named by the CA, Aunt Emma; a gruesome tactic designed purely to bore one's opponent into submission. As a result, they inflicted heavy wins on their opponents and narrowly missed two whitewashes.

Oh, let the rain reign.
