This is not a service, just a social occasion to start the new year. There will be a voluntary collection for the Genesis Trust (help for the homeless in Bath).

Report on the Dunkerton & Tunley Parish Council Meeting 25 October 2018

Wheelwrights Footpath

This will not be financed by the Community Infrastructure Levy (CIL) money received by BANES as they are following national government guidance in using it for major infrastructure projects. Therefore the parish council will have to try to get this onto the BANES Highways capital budget programme.

Tunley Clean Up

There are 3 areas that need addressing – around the mine tub, the Stoneage Lane junction and the Palmers Lane junction.

Review of the B3115 Speed Limit

Concerns have been expressed by parishioners about the speed of traffic along the B3115 both in Tunley village and outside of Tunley. Based on the current low level of accidents on the B3115 involving personal injury, and recognizing current BANES budget constraints, it is highly unlikely that the Parish Council could persuade BANES to undertake any new or additional measures to respond to these concerns.

Rural Transport

Cllr Rosemary Naish of Clutton Parish Council presented the idea of a community bus from Clutton through Farmborough, Timsbury, Meadgate and Tunley to Odd Down Park and Ride. This is in response to the reduction of the 179 service which is guaranteed only to next July/August. The initial proposal is that a steering group comprised of representatives from Clutton,

Farmborough, Timsbury, Camerton and Dunkerton and Tunley Parish Councils, put together a detailed proposal to set up a community bus. The funding available is only for running the bus so each parish would need to make a grant of c£200 this year to pay for the set up work. It would be intended to get the bus up and running by next July.

Keynsham Dial A Ride has agreed to let such a scheme use one of their buses and would apply for a licence. The community bus would follow a set route and a set timetable that anyone can use rather than a dial a ride model. The Parish Council happy to support this initiative so long as it would not confuse or delay the current rural transport initiative which the Parish Council is supporting (launched by BANES and the local parishes at a meeting at Timsbury in April). Cllr Robinson then reported how the reduced 179 timetable bus times and the current 768 buses run at similar times. The Clerk would write to BANES expressing their thanks that the service has been saved but point out the clashing timetables.

Finance.

The balance of funds as at 25 October is £16,681.85 and without the Community Infrastructure Levy (CIL) reserves £12,995.01.

BANES Planning Decisions.

New Local Plan Options Consultation

The new Local Plan Options Consultation will run until 21 December.

Highways and Public Rights of Way

The bridleway at the bottom of Blind Lane is being blocked by parked cars. It was agreed to position 2 posts to ensure vehicles cannot block the bridleway but horses can still get through. Cllr Gardiner kindly agreed to donate 2 posts for the purpose. Cllr Patch volunteered to organize and carry out this work. Cllrs Orme and Robinson offered to assist with installation of the posts.

Parish Council Flood Representative Report.

Cllr Orme reported on his participation in a visit for Local Flood Reps organized by the West of England Rural Network to Fairford in the Cotswold Water Park to see the preventative work on flooding being undertaken there. Basically the lesson taken away was to get all stakeholders involved and sell of the benefits of watercourse management rather than focusing just on the costs and work involved in flood prevention.

The next Parish Council Meeting is on 10 January 2019 7.30 pm Tunley Recreation Centre

Dunkerton WI

Dunkerton W.I. met at Tunley Recreation Centre on Tuesday 13th November.

The meeting was well attended. Tunley R.C. committee had kindly left their patriotic bunting up after their excellent 1940's bash and beacon lighting evening, for which we were most grateful. Business discussed plans for a visit to the House of Commons, a craft evening at Iron Acton W.I. the Camdyke Group carol service at Hallotrope and High Littleton, and the forthcoming Christmas party at the King William on the of 27th November.

President Judy then officially closed the meeting and opened the Annual General Meeting. Happily there are no changes in officers, so Jan remains treasurer, Frances Secretary and Judy President. And together with Elisabeth, Di and Viv, make up the Committee.

Prior to her Annual report, Frances read the Annual report from November 1938. Some members could recollect names from the past, and it was reassuring to know times hadn't changed in running the meeting.

Next meeting is on the 11th December,

Hope it's not too early to wish you all a Happy Christmas

THE BATTLE'S OVER

Armistice Day remembrance in the parish of Dunkerton, Tunley & Withydithe drew to a wonderful finale at the TRC on the 11th November 2018.

Over 120 members of our parish came together to enjoy wartime rations of spam sandwiches, Swiss roll and jelly.

The TRC was bedecked in union flag bunting, WW1 posters and poppies.

At 7 o'clock we lit a tremendous beacon that according to one parishioner could be seen from space!

A huge thank you to Robert and Marilyn Gardiner and the army of volunteers who made it all happen.

The evening raised an incredible £821.50 towards the Tunley community defibrillator.

Thank you to everyone who came to the tea party. We hope that as a parish we have honoured the memory of those who lost their life during and after World War 1 and have continued to develop friendships within our community.

Christmastime in Tunley

Tunley 'Carols and Mince pies' will take place on **Sunday 9th December at 4pm in the TRC**. This is an opportunity for the whole village to come together, sing some favourite Christmas carols, and afterwards share mince pies and mulled wine and swap Christmas cards. Mike and Flic Newport will lead the carols.

There is no charge, but if you would like to bring a gift for the local food bank that would be most welcome. There will be a collection of tinned and packaged goods etc for food parcels for those in need. (baked beans, cereals, etc).

If you would like to bring some mince pies or help on the day please let Martha know - tunleynews@gmail.com

Security of the TRC grounds at night.

We have now installed a gate across the access drive to the car park. The gate will be locked at night to prevent the improper use of the car park we have been experiencing. Pedestrian access will not be affected. Thank you to everyone who was instrumental in making this happen.

TRC Management Committee and Friends meeting

Our next meeting is on December Thursday 6th at 7.30 and the first Thursday of each month thereafter.

Tunley Coffee Morning

Our next coffee morning will be on Saturday 19th January 10.30am till 12noon.

And finally.....

Thank you to everyone who has helped in the TRC and the grounds during the past year.

The TRC Management Committee and Friends of the TRC wish everyone a joyful Christmas and happy New Year.

We look forward to welcoming you to Carols and Mince Pies on December 9th

CAM VALLEY Arts Trail

A superb weekend was had by hundreds of visitors who took the time to visit some, or all, of the 13 venues at the annual Cam Valley Arts Trail in early November. Artisans from villages around the Cam Valley showed their varied art works and some gave free workshops e.g. Batik, macro photography, silver-smithing and ceramic blackbird magnets. Karen George, chair of the group, said: "We were delighted by the number of people who came to support us, new faces and old friends. We are also thankful to all our advertisers and grant providers, without whom we would struggle to put on such a wide ranging community arts trail." This year the group has welcomed quite a few new local artisans which shows in what a vibrant, creative area we live. Look out for information on a day's workshops on Saturday 2nd March 2019 and the Spring Exhibition on Saturday 4th May. www.camvalleyartstrail.co.uk

Neighbourhood Police Team report

The first contribution to any parish magazine is always a privilege. It's another way that your police team can communicate advice, news, education and reassurance. Some of you may have met me in person; others may just know me by my regular column in the Somerset journal or by my contributions to other Parish magazines. Some of you may have met my colleagues Mike and Nigel but also at this point allow me to say that the Police are also there for the nice things in life. If you have met any or all of us it may not always be because you are in trouble. Writing a column can also be daunting at times. Sometimes I have to write about unpleasant news. I don't like to do this but if we can learn from it, improve our knowledge base or our security and look outwards to our neighbours so they don't go through the same pain then maybe it is worth me informing you accordingly.

On occasion I will also try to give you a more personal insight into Neighbourhood Policing. I think this is invaluable and reminds us that the police aren't just unfeeling, uncaring robots. We all live in a community, in streets just like yours. We experience the same range of emotions about the same range of issues that you all do. Sometimes I will write about the crime that happens in our busier neighbouring beats. Please don't switch off from these articles even though you may feel that this is not relevant to you. Crime is crime wherever it occurs and although it may not be happening in your area today it may mean that it could occur in your area tomorrow. We should all learn from what is written and look after ourselves and each and every one of us regardless of where we live.
