**All Saints' Church****The Parish Church of Dunkerton & Tunley**

Dear Friends,

You may have heard of Lee Abbey Christian Community in Devon; some of you may have stayed there. Jill and I are planning to take a group there from the four parishes in our Benefice from Friday, May 8th to Sunday, May 10th next year.

Lee Abbey has been in existence as an ecumenical Christian community since the end of World War 2, and is made up of young people from over twenty nations. Ordained members of the Church of England, and a team of helpers lead the community.

It's situated on the spectacular North Devon coast between Lynton and Woody Bay. The views are stunning and there will be plenty of opportunity to enjoy the coastline and countryside around the Abbey.

We'll be sharing with two other parish groups in a weekend of worship, teaching and leisure

activities. The standard of accommodation is excellent, and the atmosphere in the communal dining area and lounges is friendly and welcoming. Mealtimes are shared with members of the community, and the parishes are encouraged to mix and share a weekend of fellowship and fun! Age is no barrier: our last parish group comprised ages 6-96, and one of our group, aged 92, had a go on the zip wire!

Lee Abbey's wonderful for families with children, as there's a team dedicated to running a children's programme during the weekend, and the youngsters always have a great time.

We need to move swiftly to confirm our booking, so please let us know, as soon as possible, if you're interested in coming. We don't know the exact cost of the weekend yet, but it will be around £150pp. We'll be collecting deposits fairly soon in order to secure our booking. Please sign up on the forms available in church and from the Rectory. We'll also organise a coach or minibus, though some people might prefer to travel independently.

Do consider coming; it's always a great weekend.

Every blessing,

Tony and Jill

Dunkerton & Tunley Parish Council

Report of the Annual Parish Council Meeting 23 May 2019

At the first meeting of the new Parish Council David Orme was appointed Chairman and Nick Patch was appointed Vice Chairman. In light of Robert Gardiner's decision not to stand again Cllr Orme thanked him for all his service on the Parish Council over the years and explained that there will be a presentation on 12 July at Dunkerton Parish Hall 7 pm followed by refreshments. The Parish Council also look forward to working with our two new ward councillors – Matt McCabe and Neil Butters.

Update on Rural Transport Initiative and Community Bus Idea

The new Rural Transport Partnership Group is in the process of forming to look at solving the medium to long term problem of the lack of rural transport services, D&TPC will be represented on that group by Cllrs Orme & Robinson. In the shorter term, the Timsbury led group, which also includes Cllrs Orme & Robinson is working on keeping the 179 service as per the undertaking given by First Bus. It was understood that the Timsbury Group would be seeking a meeting with the new Lib Dem administration regarding the 179 service as soon as possible, as a tender for this service has been issued by BANES.

Cllr Orme also reported that BANES had confirmed that it would not be seeking to alter the timetable of the 768 service to avoid clashes with the 179 service. This was due to

the adverse knock on effect that would be felt on the other villages served by the 768 service, Tunley and Timsbury being the only villages on that route where the timings of both routes are almost identical.

Report of Parish Council's Response to Planning Applications

Planning Applications REF 19/01907/FUL and 19/01908/LBA Erection of a single-storey extension to the north of Church House, partial demolition of existing outbuilding at the north boundary of the site, and extending of the existing lean-to single-storey extension on the south side of Church House. The parish council unanimously voted to object to these applications primarily because of the adverse effect the large extension would have on the façade of the host listed building – it was thought that the existing façade was central to the aspect and character of the listed building.

Date of Next Meeting

Tuesday 30 July 7.30 pm Tunley Recreation Centre.

Dunkerton WI

A good proportion of our membership braved the rain and strong winds to attend this month's meeting. We were joined by two from Marksbury who were given a warm welcome and we hope that they will decide to join us.

The opening rendition of Jerusalem was augmented by the strong voice of our speaker, Ian Cassie, who is a visitor services volunteer who travels the Country speaking about Brunel's SS Great Britain. The talk he gave us was entitled "From Launch to Re-launch", covering the history of the ship from inception to the present day, including the passenger journeys it made to the USA, and later to Australia, following the discovery of gold.

The first English Cricket teams to travel to Australia, went on the SS Great Britain first in 1861, captained by H H Stephenson and in 1863, captained by George Parr, the team including Mr E M Grace, brother of the better known, Mr W G Grace.

Tea and cakes followed, the cakes getting more moreish month by month and then the business meeting started with Jess in the Chair.

Since the last meeting, members had enjoyed an outing to Bowood House and gardens and also a walk based on Wellow with lunch at the Fox and Badger. Three people had attended the National Conference in Bournemouth which they found extremely interesting and they look forward to next year when it is held at the Royal Albert Hall. Surely an occasion to don hats!

Thank you. Dunkerton W.I.

DUNKERTON VILLAGE FAIR & DOG SHOW

June wouldn't be June without a visit to the traditional Dunkerton Village Fair & Fun Dog Show. Although this year the early June monsoon style weather meant "is it Plan A or is it Plan B"? Happily, after all the pre- Fair build-up and hard work by organiser Alison Gibbs and her team, the weather eventually relented for our third-year stint on the cricket ground.

The fair was due to be opened by Robert Gardiner, local retired farmer, ex Chair of the Parish Council and long-time supporter of our fair. Unfortunately, Robert was ill on the day and unable to be here - we wish him a very speedy recovery. At very short notice, the Reverend Tony Roake stepped in and opened the 2019 Dunkerton Fair..

This year the stalls looked very attractive and colourful with each stall decorated with handmade bunting, and tended by many local residents and friends, each beneath a gazebo or marquee. All stalls appeared to be doing brisk business throughout the afternoon, while the teas and cake stall was especially busy.

The sun shone in good spells and a good number of local dog owners came for the Dunkerton Obedience Group's "Fun Dog Show", always an integral part of our Fair. The culmination of the day is the children's games including the sack racing, egg + spoon and 3-legged, even 3-person racing! Soon it was time for the adults following in their offspring's hop steps before the egg throwing became too messy.

The rain held off for most of the afternoon until the very popular duck race, held on the stream alongside Mander's Orchard, when the heavens opened, very appropriately for the ducks!

The entire proceedings of the afternoon was over seen and compered by our very own master of ceremonies – the irrepressible, ebullient Max Crofts.

After a very busy afternoon, the fun continued with a curry evening to round off the day. Given the weather, an impressive £2,600 was raised on the day for Parish Hall and Church funds.

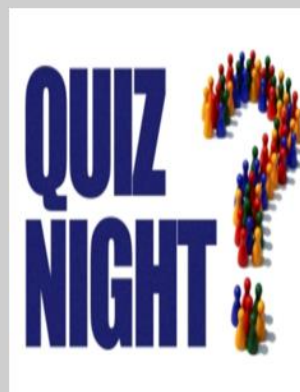

None of this would have been possible without the hard work of the fair committee with Alison Gibbs at the helm. A huge thanks goes to Alison, without her drive, enthusiasm and energy in organising the craft sessions prior to the show, getting so many stallholders and helpers involved, plus providing most of the plants and several cakes! It really wouldn't have been possible without her and her team of helpers. Special thanks, as in previous years, go to Mel Newbigin, for kindly lending her marquees. Thanks also go to all the crafters,, lifters and shifters and gazebo erectors for their time and hard work in setting up and clearing away.

If you have any ideas on how we can further improve the fair next year, please do not hesitate to contact

Alison Gibbs on 01761 439917
